Subject: **Tropical Cyclone Alert in Arabian Sea**

Pakistan Meteorological Department has issued cyclone alert dated: 07.06.2015 Time 22:00 PST relating to Tropical Cyclone Formation in Arabian Sea, which is reproduced as under:

"The well-marked low pressure area over east-central Arabian Sea has rapidly intensified into a deep depression during last 12 hours and now lies around Lat 15.5N and Long 68.3E about 1000km south of Karachi. This system is likely to intensify further into a Tropical Cyclone in next 12-24hrs and likely to move in north westward direction."

"The sea conditions along Sindh-Makran coast are likely to remain rough to very rough occasionally high associated with strong squally winds from Monday afternoon to Friday. The following are advice/warning for fishermen."

Sindh – Fishermen of Sindh are advised not to venture in open sea from Monday afternoon to Thursday.

2. The following authorities are requested to take action as mentioned below:

- (i) **Home Department:** Is advised to impose section 144 in the entire coastal area of Sindh.
- (ii) **Local Government Department:** To request to ensure preparedness and response measures are in place and removal of loose structures, tall mounted billboards and hoardings which may fall due to high winds. The staff is to be kept on high alert.
- (iii) **K-Electric/HESCO:** Ensure uninterrupted power supply to pumping stations for drainage of rain water. Secure electric transmission lines in case of high winds may cause their falls. Ensure prompt action to avoid electrocution due to fallen electric wires.
- (iv) **DHA/ Cantonments Board (Coastal Area):** Ensure removal of loose structures, billboards, hoardings, and drainage of rain water.

3. In view of above, I am directed to request that the District Administration may remain alert / cautious and all stakeholders and concerned should be cautioned to take necessary precautionary measures to avoid any loss of life and damage to public as well as private property.
