NOTE:
 As no damage is reported yet by any district (as of today), therefore, the Situation Report (SITREP), which contains the details of damages & losses has not been generated. All the districts have conveyed details of relief camps and safe evacuations made by them; PDMA accordingly generated Safe Evacuation Report (SER).

Discrepancies in PROVISIONAL Safe Evacuation Report (SER) may exist with total evacuation figures since many families prefer to take refuge with family members/relatives living at safer places/adjoining districts and not in the designated relief camps setup by the Government.
