The Deputy Commissioner (s)/ Chairman
District Disaster Management Authority

Karachi East /West/ South/ Central / Malir/ Korangi
Thatta / Badin/ Sujawal

Attention: Commissioner Karachi Division.
Commissioner Hyderabad Division.
Administrator KMC Karachi.

Subject: **TROPICAL CYCLONE 04 A (NILOFAR) IN ARABIAN SEA**

Pakistan Meteorological Department has issued a Cyclone Advisory-2 dated 27th October, 2014 1200 hours relating to Tropical Cyclone formation named “**NILOFAR**” in Arabian Sea, which is reproduced as under:

“Tropical Cyclone (Nilofar) in Arabian Sea has intensified into a Severe Tropical Cyclone with an intensity of T3.5. Meteorological conditions in the region indicate that the weather system may further intensify into a “Very Severe Tropical Cyclone” on Monday night or Tuesday morning. Severe Tropical Cyclone is located at Lat. 15.0°N and Long. 61.9 °E, about 1200 kms south-southwest of Karachi and 1120 Km south of Gwadar. The cyclone is likely to move further west-northwest ward (towards Oman Coast) with a speed of 08 km/hr during next 24/36 hours, then it would re-curve northeastward (towards adjoining coastal areas of Lower Sindh and Indian Gujrat).

Under the influence of this Cyclone, widespread rain/thundershowers with isolated heavy falls accompanied by strong gusty winds are expected in Lower Sindh including Karachi and Coastal Areas of Balochistan during Wednesday (night) to Friday.

The sea conditions along Pakistan coast would be rough to very rough from Wednesday evening to Friday. The fishermen of Sindh and Balochistan are advised not to venture in open sea from Wednesday to Friday. The fishermen who are already in the open sea are advised to return to coastal areas before Wednesday”.

2. In view of above, it is requested that all pre-emptive preparedness measures including issuance of early warning, preparation for evacuation (if required) of vulnerable communities specially in the coastal areas, mobilization of resources and all the equipment/ manpower be kept on high alert and ready to respond quickly to any situation. It may also be ensured that the District Emergency Operations Centers shall be operationalized round the clock.

3. The following authorities are requested to take action as mentioned below:

- i. **Home Department:** To deploy appropriate police force to assist the district administrations concerned for, vigilance and patrolling evacuation operations of coastal areas.
- ii. **Local Government Department:** To ensure that preparedness and response measures are in place, including cleaning of the nallahs for smooth drainage of rain water/storm drainage and also removal of loose structures, tall mounted billboards and hoardings which may fall due to high winds. The concerned staff is to be kept on high alert and prepared.
- iii. **Health Department:** To ensure that Government hospitals are put on high alert with sufficient stock of medicines & related supplies.
- iv. **K-Electric/HESCO:** To ensure uninterrupted power supply to pumping stations for drainage of storm/rain water and to secure electric transmission lines in case of high winds. These agencies are also directed to ensure prompt action to fallen electric wires to avoid electrocution.
- v. **KWSB/WASA(Hyd):** To ensure drainage of water from the low lying areas of the cities concerned.
- vi. **DHA/Cantonments Board (Coastal Area):** Removal of loose structures, billboards, hoardings, and drainage of rain water through the nallahs, etc.
- vii. **SBCA:** To take timely necessary preemptive action with reference to old/dangerous building structures prone to structural collapse.
- viii. **Sindh Coastal Development Authority:** To ensure that residents of coastal belt/living in huts are evacuated as and when directed to safer and higher grounds. SCDA may also ensure dissemination of warning messages to the communities in timely manner.

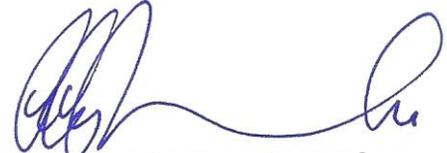

4. For their own safety, the fishermen be directed not to venture in open sea as it may get rough resulting in difficulty for them to return back before **Wednesday Evening**.

5. The progress / necessary measures taken by District Disaster Management Authorities and any assistance needed by the districts may please be coordinated with PDMA on telephone numbers mentioned below:
