**Attention:** Commissioner Karachi Division.  
Commissioner Hyderabad Division.  
Commissioner Mirpurkhas Division.  
Administrator Karachi.

Subject: **TROPICAL CYCLONE 04 A (NILOFAR) IN ARABIAN SEA**

Pakistan Meteorological Department has issued a Cyclone Advisory-7 dated 29<sup>th</sup> October, 2014, 1800 PST hours relating to Tropical Cyclone Formation named "NILOFAR" in Arabian Sea, which is reproduced as under:

*"Very Severe Tropical Cyclone (Nilofar) in Arabian Sea has re-curved north-eastward and now located at Lat. 19.5°N and Long. 62.3° E about 800 km in southwest of Karachi and 680 km south of Gawadar. The Cyclone would continue to move in the same direction (towards adjoining coastal areas of Lower Sindh and Indian Gujrat) with a speed of 14 km/hour in next 24 hours. At present the estimated central pressure of Cyclone is 996 hpa and the average sustained wind speed around is 90-100 Knots up to 110 Knots. The Cyclone would start weakening on Thursday afternoon and is very likely to cross the adjoining coastal areas of Lower Sindh and Indian Gujrat as a Cyclonic Storm or Depression with a wind speed of 70-80 km/hour gusting to 100 km/hour on Friday night.*

*Under the influences of this Cyclone, widespread rain/thundershowers with isolated heavy/very heavy falls accompanied by strong gusty winds are expected in Lower Sindh including Karachi and Coastal Areas of Balochistan on Thursday and Friday.*

*The sea conditions along Pakistan coast are likely to remain rough to very rough on Thursday/Friday and the fishermen of Sindh and Balochistan are advised not to venture in the sea during next two days".*

2. In the view of above, it is requested that all pre – emptive preparedness measure including issuance of early warning , preparations for evacuation ( if required) of vulnerable communities specially in coastal areas, mobilization of resources and all the equipment / manpower be kept on high alert and ready to respond quickly to any situation.

Communities residing in low lying area prone to inundation due to excessive rainfall or high wind may be evacuated to safer and higher elevations places as decided in the meeting held at PDMA on 28<sup>th</sup> October 2014. It may also be ensured that the **District Emergency Operation Centers** shall be operationalized round a clock.

3. The following **authorities** are requested to take action as mentioned below:
- i. **Home Department:** To deploy appropriate police force to assist the district administration for evacuation operations, vigilance and patrolling of coastal areas.
  - ii. **Local Government Department:** To request to instruct TMAs to ensure preparedness and response measures are in place, including cleaning of the nalla's for smooth drainage of rain water and also removal of loose structures, tall mounted billboards and hoardings which may fall due to high winds. The staff is to be kept on high alert.
  - iii. **Health Department:** To kindly ensure that Government hospitals are put on high alert with sufficient stock of medicines & related supplies.
  - iv. **K Electric/HESCO:** Ensure uninterrupted power supply to pumping stations for drainage of rain water. Secure electric transmission lines in case of high winds. Ensure prompt action to avoid electrocution due to fallen electric wires.
  - v. **KWSB/ WASA (Hyd):** Ensure drainage of water from the low lying areas of the city
  - vi. **DHA/ Cantonments Board (Coastal Area):** Removal of loose structures, billboards, hoardings, and drainage of rain water through the nallahs, etc.
  - vii. **TMAs:** To ensure that all the drainage/ nallahs have been cleaned to facilitate smooth and quick drainage of water.
  - viii. **KBCA:** To take timely necessary preemptive action with reference to old/dangerous building structures prone to structural collapse

4. For their own safety, the fishermen be directed not venture in open sea as it may get rough resulting in difficulty for them to return back. Fishermen already in open seas be ensured to be back at the shores as soon as possible.

5. The progress / necessary measures taken by District Disaster Management Authorities and any assistance needed by the districts may please be coordinated with PDMA on telephone numbers mentioned below.
