Possible Impacts

- Wind-dust storm may cause damage to loose and vulnerable structures and standing crops.

Keeping in view above, it is recommended that concerned Deputy Commissioner/ Chairman DDMA and other relevant authorities/ stakeholders may take all necessary mitigation measures, including:

- Establishment of helpline number to address needs of rain/flood affected people/IDPs at priority basis.
- Stockpile necessary emergency relief/ medicine stores especially in flood affected areas.
- Ensure availability of uninterrupted power supply through intimate coordination with concerned line departments and provision / availability of standby generators for hospitals.
- Emergency services and ambulances with trained paramedics to remain available round the clock.
- Coordinate with concerned departments (NHA, NH&MP and FWO) for issuing necessary alerts to travelers, especially over long distances to take precaution and avoid over exposure to rainfall.
- Sea conditions may become Rough. Fishermen should be advised not to venture in the sea and take extra care during the period

FOR GENERAL PUBLIC:

- Monitor the weather alerts through print and electronic media.
- Stay indoor unless absolutely necessary. Keep doors and windows shut and avoid sitting near windows as rain is often accompanied by strong winds.
- Maintain a distance from power lines or electrical wires. If you notice any loose electric wires in your area, alert the authorities immediately.
- Avoid touching electrical switches or outlets while it is raining. Also avoid using electrical sockets or outlets outdoors while it is raining.
- Avoid driving in heavy rain because of poor visibility.
- Avoid underpasses, drainage ditches, low-lying areas and areas where water collects.
- Check on family members who are especially at risk from weather hazards: young children, older adults, and the chronically ill.
- Farmers are advised to remain cautious during the forecast period.
