Disclaimer: 30m resolution satellite image has been used for preliminary damage assessment and depicts status of flood inundation as of image acquisition date. It is pertinent to note that during the course of time, some breaches in Left Bank Outfall Drain and irrigation channels were reported which may have further aggravated inundation situation in the district. The situation shall be updated through fresh satellite imagery. Due to the presence of clouds over some parts of the district inundation delineation may be affected. The Union Council boundaries in names used in development of this product were obtained from Board of Revenue, Sindh.
