Disclaimer: 30m resolution satellite image has been used for preliminary damage assessment and depicts status of flood inundation as of image acquisition date. The current situation is based on image acquisition date and depicts post breach scenario in FP Bund, Main Nara Valley Drain (MNVD) irrigation channels. Due to the presence of clouds over some parts of the district inundation delineation may be affected. The Union Council boundaries in names used in development of this product were obtained from Board of Revenue, Sindh.
