

Progress on Heatwave Response

(Period Covered 1500 hrs 14-04-2025 - 1500 hrs 02-05-2025)

- Pakistan Meteorological Department has informed that dust-storm / thunderstorm-rain is expected in Sukkur, Mirpurkhas, Khairpur, Tharparker, Sanghar, and Umerkot on 02nd (night) to 05th May with occasional gaps
- Wind-thunderstorm and lightning may damage loose structures like electric poles, trees, vehicles, and solar panels etc. Farmers are advised to manage their crop activities (wheat harvesting) keeping in view the weather conditions. Heatwave conditions are likely to subside over most parts of the country from 01st May onwards
- Due to heatwave conditions in the province, general public especially children, women and senior citizens are advised to take precautionary measures. Avoid exposure to direct sun light during the day time and remain hydrated. Farmers are advised to manage their crop activities keeping in view the weather conditions and take care of their livestock as well
- DDMAs of various districts conducted series of meetings of heatwave with relevant line department and humanitarian organizations activity engaged in heatwave response plan
- PDMA Sindh has directed all DDMAs and relevant line departments to actively implement the Heatwave Response Plan in accordance with the shared SOPs of heatwave .
- Provincial Emergency Operation Centre PDMA Sindh is closely coordinating with all DDMAs/District EOCs and all Humanitarian Partners
- 11 humanitarian partners have been mobilized under the Heatwave Response Plan to establish heat stabilization camps, distribute Information, Education & Communication(IEC) materials, display banners, and conduct awareness-raising activities across various districts
