

Progress on Heatwave Response

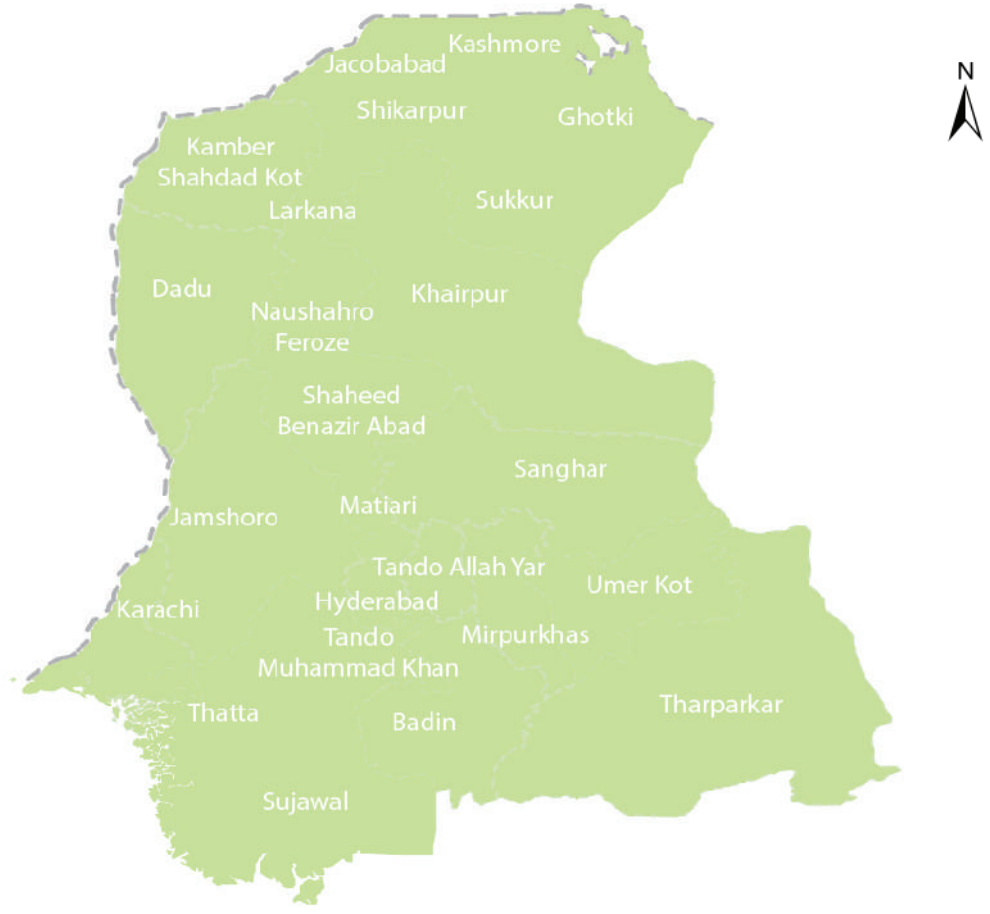

(Period Covered 1500 hrs 14-04-2025 - 1500 hrs 28-04-2025)

- Pakistan Meteorological Department has informed that a high pressure is likely to approach upper atmosphere from 26th April, and likely to grip most parts of the country on 27th April. Under the influence of this meteorological conditions, day temperatures are likely to remain 5-7oC above normal in Southern half (Sindh) from 26th April to 01st May
- Due to heatwave conditions in the province, general public especially children, women and senior citizens are advised to take precautionary measures. Avoid exposure to direct sun light during the day time and remain hydrated. Farmers are advised to manage their crop activities keeping in view the weather conditions and take care of their livestock as well
- PDMA Sindh conducted Humanitarian Coordination Meeting on heatwave with humanitarian partners (UN agencies ,International and national organizations on 11 March 2025)
- DDMAs of various districts conducted series of meetings of heatwave with relevant line department and humanitarian organizations activity engaged in heatwave response plan
- PDMA Sindh has directed all DDMAs and relevant line departments to actively implement the Heatwave Response Plan in accordance with the shared SOPs of heatwave .
- Provincial Emergency Operation Centre PDMA Sindh is closely coordinating with all DDMAs/District EOCs and all Humanitarian Partners
- 11 humanitarian partners have been mobilized under the Heatwave Response Plan to establish heat stabilization camps, distribute Information, Education & Communication(IEC) materials, display banners, and conduct awareness-raising activities across various districts
