- Coordinate with concerned departments (NHA, NH&MP and FWO) for issuing necessary alerts to travelers, especially over long distances to take precautions and avoid over exposure to rainfall.

FOR GENERAL PUBLIC:

- Monitor the weather alerts through print and electronic media.
- Travelers and tourist are advised to remain cautious to avoid any untoward situation during the forecast period.
- Farmers are advised to manage their agricultural activities keeping in view the weather forecast.
- Stay indoor unless absolutely necessary. Keep doors and windows shut and avoid sitting near windows as rain is often accompanied by strong winds.
- Maintain a distance from power lines or electrical wires. If you notice any loose electric wires in your area, alert the concerned authorities immediately.
- Avoid touching electrical switches or outlets while it is raining. Do not try using electrical sockets or outlets outdoors while it is raining.
- Avoid driving in heavy rain because of poor visibility and associated risks.
- Avoid underpasses, drainage ditches, low-lying areas and areas where water collects.
- Check on family members who are especially at risk from weather hazards: young children, older adults, and the chronically ill.
- General public is advised to remain watchful & take precautions.
