A meeting of the Procurement Committee constituted in pursuance of rule 7 of the SPP Rule-2010 and notified vide No. SO-I(Rehab)/3-14/2014, dated:15.07.2021 regarding purchase of relief items/ goods was held under the Chairmanship of Mr. Syed Shujaat Hussain, Director (Ops), PDMA Sindh/ Chairman PC, on 01st March, 2022 at PDMA Head office Karachi at 01:00 p.m. for Opening of tenders as per schedule communicated vide NIT published in leading daily newspapers, and hoisted on PDMA website and SPPRA website (SPPRA ID# T01155-21-0003).

The chair welcomed and apprised the participants that only the technical proposals will be opened in the presence of the bidders and the procurement Committee will scrutinize the bids for tender fee, compliance of single stage two envelop procedure, sample received and registration with tax authorities in initial phase and the bidders qualifying in the initial scrutiny will be evaluated further by the Procurement committee in due course of time and will also be subject to sample testing through Procurement Committee & Laboratory and testing fees will be borne/ paid by the bidders for their samples that will be communicated accordingly. The Financial proposals of only those bidders who qualify successfully in the technical evaluation criteria will be opened. The Chairman PC apprised the committee that 41 vendors/ bidders purchased and downloaded through website the bidding documents on submission of non-refundable tender fee amounting to Rs.3000/- per item. However, on the scheduled date only 32 bids have were received along with samples in bidding process. The attendance sheets of the PC & bidders are attached as Annexure-1 to 2.

The Summary indicating the number of Vendors/ bidders (item wise) who participated in the bid opening process is as under:

| 3 | Jerry Can | 13 | 9 |
| 5 | Tarpaulin Sheet | 10 | 8 |
| | Total | 41 | 32 |

Handwritten signature

As decided, the bidding process was single stage two envelope as per (Rules 46(2) of SPP Rules-2010 amended in 2019), hence the bids were opened in front of bidders / representatives, whereby the technical proposals were opened and financial bids were kept in safe custody. The Technical proposals which were opened in front of the bidders to maintain transparency and equality. The proposals were opened for all the tendered items of NIT. During the course of initial scrutiny the two bids of one bidder participating in two items were rejected by the PC due tender Fee not submitted with or before the opening of technical proposal the detail of which is given below with reason:

| S.No | Bidders/ Vendor | Items | Rejection Reason |
|------|--------------------------------------|-----------------------------|---|
| 01 | M/s Kolachee International (Pvt) Ltd | Jerry Can & Tarpaulin Sheet | Tender Fee not submitted with or before the opening of technical proposal |

As the supplier i.e. M/s Kolachee International (Pvt) Ltd was arguing with the PC that they have mistakenly attached the tender fee in the financial proposal and their bids may be considered so the PC recommended them to file their complaint/ plea on the right forum i.e. CRC Complaint Redressal Committee and the decision of the same will be accommodated accordingly.

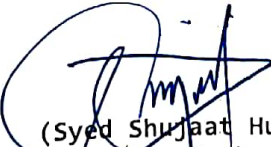

Moreover, the sample of Jerry Can were checked / analyzed by the PC and all were found to be inline with the specification given in the bidding documents and rest of the relief items i.e. Tents, Mosquito nets & Tarpaulin Sheets were decided to be sent to Laboratory (Industrial Analytical Center) HIJ Karachi University for testing of samples.

Furthermore, it was decided that after the receipt of Sample Testing Report of Laboratories and the complete / final evaluation report is made of the bidders, only those bidders who are found cleared in "technical evaluation criteria" will be informed before the date of opening of financial proposals for financial bid opening and their bids will be opened in their presence or their representative's.

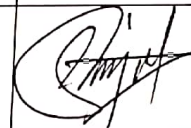

The meeting ended with vote of thanks to and from the chair.
