The PC, after deliberations, made the following decisions:

 - ii. PC decided that, in order to maintain confidentiality, the required fees may be deposited from PDMA account at the moment and later may be recovered from the vendors as per conditions of NIT. Therefore, it is proposed that the required payments may initially be made from the Provincial Disaster Management Account to ensure timely testing. Subsequently, the concerned vendors may be advised to reimburse the testing charges into the PDMA account after completion of the laboratory testing process.
 - iii. The PC decided that the samples received from bidders for NIT Item Nos. 1, 2, 3, 4, 5, and 6 shall be sent to the laboratory by the Procurement Agency, namely the Industrial Analytical Center at H.E.J. Research Institute of Chemistry, University of Karachi, for testing. The testing fees shall be borne by the respective bidders. The samples for NIT Item Nos. 7, 8, 9, 10, 11 and 12 shall be evaluated by the Technical Committee whose decision would be final.
 - iv. The PC further decided that only those bidders who qualify in the technical evaluation reports shall be informed, prior to the date of financial bid opening, through EPADS, and their financial bids will be opened in their presence under the rules. Moreover, letters shall be issued to non-responsive (disqualified) bidders in accordance with the SPP Rules, 2010 (as amended from time to time), duly informing them of their disqualification.
