- The Chair informed the committee that, as per the decision of the Procurement Committee (PC) and in compliance with Rule 48 of the SPP Rules, it is crucial to ensure competitiveness by verifying that the proposed rates align with market standards or match previous rates. To achieve this, quotations should be obtained from registered firms in the market and compared with the rates offered by the successful bidder. If the successful bidder's rates are found to be the most advantageous and responsive, a recommendation for the award of the contract may be made in the next meeting of the Procurement Committee.

The meeting ended with vote of thanks to and from the Chair.
